SCOPE OF BULLETIN:

New Water / Dust Skirt for the NANO EDGE.

MATERIALS REQUIRED:

None

REVISIONS:

The NANO EDGE now has an optional Water / Dust Skirt which can be easily installed after purchase. This removable Skirt helps keep the amount of water splashing or dust billowing when working with the unit on wet or dry surfaces.

The skirt can be utilized on both free standing NANO EDGE as well as the NANO EDGE with the Baseboard Cart.

To order today, order **Part #: 300-4014** for **\$48.24 LIST**.
