

**DATE OF THE BULLETIN:**

May 4<sup>th</sup>, 2020

**THIS BULLETIN SPERSEDED BULLETIN(S):**

None

**MODELS AFFECTED:**

XR Models

**MACHINE SYMPTOMS:**

None

**SCOPE OF BULLETIN:**

Tank warping due to heat

**MATERIALS REQUIRED:**

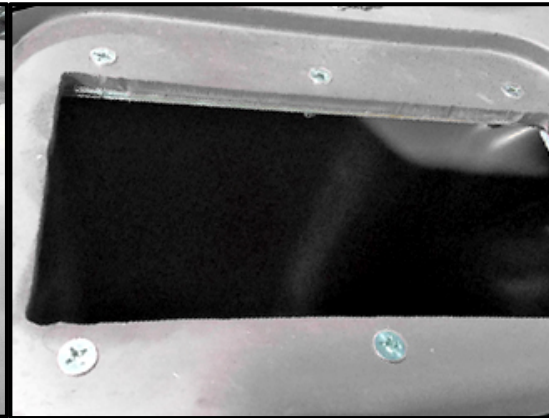

None

**REVISIONS:**

We are now installing a metal support bracket on our XR Recovery tanks to prevent warping in the field. Should a tank warp, please contact [warranty@rpscoperation.com](mailto:warranty@rpscoperation.com) and we will work with you to install XR Recovery Tank Support Kit - #700-7015D.
